Westermann, W. L.

[Prof. of Ancient History, [William Linn] Columbia University], 1928-1930

26th November, 1928

Professor W. L. Westermann,
Columbia University

Dear Professor Westermann:

My brief contact with you on Saturday reminded me that you mentioned earlier in the year that you might consider becoming an Associate member of our Society in the fall.. As our rules provide that members elected in November and December do not pay dues until the following year, I am taking the liberty of enclosing an application card in the hope that you will authorize me to present it at the next meeting of our Council, on December 14th. We should very much like to have you enrolled among our supporters, and feel that you can be of aid to us in seconding our efforts to emphasize the importance of the Mediaeval coinages, and especially of the Byzantine.

With cordial regards, I am

Very truly yours,

Secretary

Mr. Sydney P. Noe
Secretary, American Numismatic Society

Dear Mr. Noe:

Please notify the Council of the American Numismatic Society of my acceptance of the honor of membership in that body and find enclosed my check for dues for the year 1930.

Sincerely yours
W. L. Westermann
